GOING TO RENO
FOR STATE MEET

The boys' and girls' teams from the high school leave Tuesday evening for the state basketball tournament to be held in Reno March 5 and 6.

The girls' team goes to Fallon for a game Wednesday and the boys play Carson the same night.

There has been keen competition among the students for places on the teams and they have worked hard for the honor of representing Tonopah in the meet. The quality for entrance in the tournament each player must have an average of 75 per cent for the past three months. This basis of scholarship means that only good students are allowed to compete and eliminate the possibility of boys and girls using in the athletes to the detriment of their school work.

When the invitation to enter the tournament first came to Tonopah high school from the Block N section financial difficulties made the acceptance seem very doubtful for a time. A ways and means committee appointed by the student body took the matter in hand, however, and planned a definite campaign for money with the result that a fund has been raised which will meet the expense of the trip. The people have backed up the school in everything that has been undertaken and it is due to their kind support that our boys and girls can have this trip.

There could be no better advertisement for the camp than the sound of these sturdy boys and girls as they compete in the state tournament where they will have the opportunity of meeting representatives from all of the large high schools of Nevada and showing them what Tonopah can produce in the way of clean athletics and good sportsmanship. It also affords those who are fortunate enough to make the trip an opportunity to see another section of the state and to visit the university. Some members of the same are leaving the desert for the first time and are bound to make over a visit to "the big city."

Eighthan people will make the trip. The girls' lineup is as follows: Berne Noy, Amy Fraser, Leslie Davis, Verda Luce, Mary Cavannah, Freda Pentz, Margaret Kennedy and Jessie Kevin.

The boys are Louis Dumont, Chris Sherin, Prester Hug, Orson Mann, Earl Burns, William Wood, Ralph Carey and William Hawke. Miss Katherine Swart and Miss Jones will accompany the team.
